Coachables: Nehemiah

Coachables is a devotional that explores the lives and stories of some of the greatest people on earth, providing real examples of people impacted by the power of God. Each devotion, much like a sport season, leads you to see into a person's life that grows stronger each and every week through dreams, goals, adversity, and ultimately victory. Coachables is for anyone who is looking for more out of life.

The first book of the series paints a vivid narrative of Nehemiah's leadership, his unwavering faith, and his battle against opposition—offering parallels for anyone facing modern challenges. His story isn't just about rebuilding walls; it's about building faith, character and commitment. Be inspired to dream big, reach down deep inside, and find out who you can be. Learn how to be COACHABLE.

Coachables is a great resource for team chaplains, FCA, athletes, and leaders
